1960 Cardinal

Caroline High School

Foreword

We, the Annual Staff, are proud of the 1960 "Cardinal." This book has caught glimpses here and there, so that in years to come the activities of this school year at Caroline will not be dimmed and will not fade from memory.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '60, we shall be content; with this thought we present to you the 1960 "Cardinal."

Dedication

MRS. VIRGINIA BURRUSS

A successful teacher has:

The humility of a deacon,

The hope of an optimist,

The humor of a court jester,

The courage of a hero,

The wisdom of a serpent,

The patience of Job,

The persistence of the devil, and

The Grace of God.

We the staff of the 1960 "Cardinal" dedicate this edition to a very SUCCESSFUL TEACHER, Mrs. Virginia Burruss.

Wrapped in Avisco Cellophane

Sparkling, crystal clear cellophane has come a long way since it was used to package only luxurious items like fancy bon bons and rare perfumes. Today, cellophane is used in literally thousands of different applications by at least 60 major industries.

Much of the growth and progress of the cellophane industry is due to the fine work of Fredericksburg area people, many of them graduates of Fredericksburg area high schools. American Viscose Corporation congratulates this year's senior class and wishes them success.
